

#### Fund Profile

Zwitserleven Credits Fonds invests predominately in corporate bonds of exchange listed companies of investment grade quality and denominated in euro. The fund invests at least 90% with a minimum average rating of BBB- and a maximum of 10% in assets with a lower average rating. The weighted average rating of the portfolio is at least BBB+. The fund consists of bonds issued by 40 or more different issuing entities. The fund promotes, among other, environmental or social characteristics and aims to at least match the return of the benchmark. All debtors and/or (fixed income) securities in the investment universe obtain an ESG-score. The ESG-score of the portfolio will always exceed the ESG-score of the benchmark.
