Zwitserleven Vastgoedfonds

Factsheet as of end of October 2026

Fund Profile

Zwitserleven Vastgoedfonds invests in a portfolio of listed global real estate companies. The fund employs a passive investment strategy and attempts to match the return of the index as much as possible. The index is compiled of shares qualified as sustainable real estate companies. The companies are assessed, among other things, to what extent they contribute to the Sustainable Development Goals (SDGs) as adopted by the United Nations. The fund promotes, among other, environmental or social characteristics. The fund does not hedge the currency risk of non-euro investments. Securities lending is not allowed.
