# Disclaimer

Cardano Asset Management N.V. and Cardano Risk Management B.V. (collectively Cardano) strive to provide accurate and actual information from reliable sources. However, Cardano cannot guarantee the accuracy and completeness of the information that is given in this presentation (hereinafter called: the Information).

The Information can contain technical or editorial inaccuracies or typographic errors. Cardano does not give guarantees, explicitly or implicitly, with regard to the question if the Information is accurate, complete or up-to-date. Cardano is not obliged to adjust the Information or to correct inaccuracies or errors. The recipients of this Information cannot derive rights from this Information.

The Information provided in this presentation is based on historical data and is no reliable source for predicting future values or rates. The Information is comparable with, but possibly not identical to the information that is used by Cardano for internal purposes. Cardano does not guarantee that the quantitative yields/profits or other results with regard to the provided Information will be the same as the potential profits and results according to the price models of Cardano.

It is not permitted to duplicate, reproduce, distribute, distribute or make the Information available to third parties for a fee, or to use it for commercial purposes without the prior express written permission of Cardano.

The discussion of risks with regard to any Information cannot be considered as a complete enumeration of all recurring risks. The here mentioned Information shall not be interpreted by the recipient as business, financial, investment, hedging, trade, legal, regulating, tax or accounting advice. The recipient of the Information himself is responsible for using the Information. The decisions based on the Information are for the recipient's expense and risk.

The Information is exclusively intended for professional and institutional investors within the meaning of Section 1: 1 of the Dutch Financial Supervision Act (Wft) and is not intended for US Persons as defined in the United States Securities Act of 1933 and may not be used for raising investments or subscribing for securities in jurisdictions where it would be unlawful to do so.

With regard to services provided by Cardano: The Information is solely drafted for information purposes and is explicitly not an offer (or invite) to:

- buy or sell or otherwise transact in financial instruments or other investment products;
- participate in a trading strategy;
- provide an investment service (“verlenen van een beleggingsdienst”).
