"Cardano Asset Management N.V. ("Cardano") provides the information contained herein as is and does not guarantee the accuracy and completeness of such information, and the recipient cannot derive any rights from it. The information contained herein shall not be interpreted by the recipient as business, financial, investment, hedging, trade, legal, regulatory, tax or accounting advice. This information is exclusively intended for professional and qualified investors within the meaning of Section 1:1 of the Dutch Financial Supervision Act (Wft). The document is provided solely for information purposes and does not constitute an offer (or invite) to (i) buy or sell or otherwise transact in financial instruments or other investment products, (ii) participate in a trading strategy, (iii) provide an investment service (verlenen van een beleggingsdienst). This exclusion list only contains the direct exclusions from the investment universe. These are securities with "non-adapting", "harmful" or "international standards" status. Cardano applies additional exclusions on sustainability grounds for specific investment strategies. For example, Cardano's sustainable fund range does not allow investments in companies with at-risk classification. More information on how the Cardano Sustainable Investment Framework and company classifications to construct portfolios can be found in Cardano's Sustainability Policy (https://www.cardano.nl/duurzaamheid-policies-disclosures/)."
